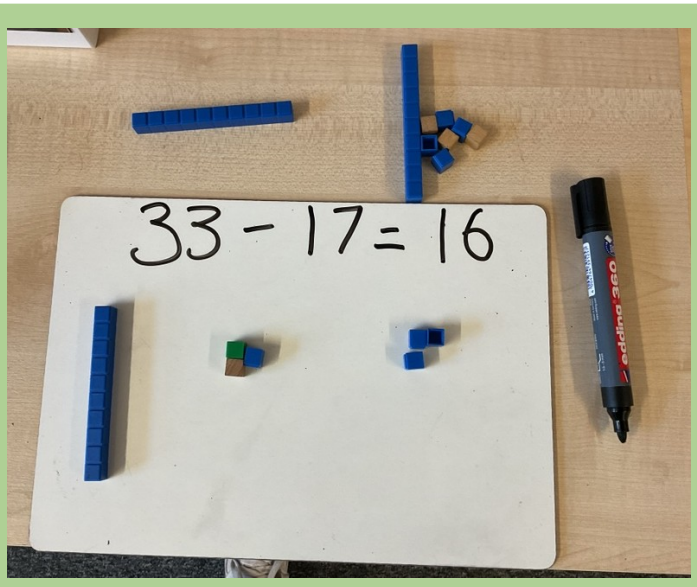
Year 2

13.11.26



This week we have been using base 10 to help with tricky subtractions. We have also been practising exchanging 1 ten for 10 ones to help when crossing over tens too.

Reading Records	We will check reading records on a Monday but children should bring these to school **every** day.
P.E. Days Tuesday Thursday	Come to school dressed for **PE**. Wear your PE kit, according to the weather as some lessons may be outside.
Friday Homework	Your child will be sent home with either Maths or English homework.

Maths Homework

Children will be drawing base 10s to help with subtraction.

Spellings:

Next week we will be learning about when **al** makes the /ul/ sound. We will be looking at words like **petal**, **medal**, **local** and **total**.

If children would like to practise they will find these spellings on spellingshed.

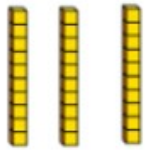
Maths Homework

Challenge 1

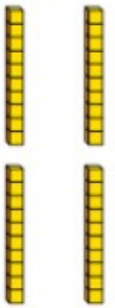
Subtract these numbers.
Draw the numbers to help you like we've done in class.

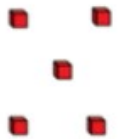
Example. 36 – 5 = 31

Tens	Ones
	



a. 45 – 31 =

Tens	Ones
	




b. 29 – 17 =

Tens	Ones

c. 66 – 42 =

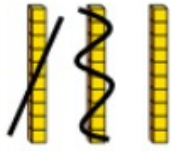
Tens	Ones

Challenge 2

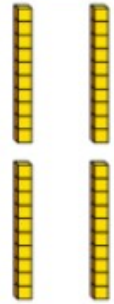
Subtract these numbers but remember to exchange a 10.
Draw the numbers to help you like we've done in

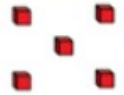
Example. 33 – 15 = 18

Tens	Ones
	



a. 45 – 27 =

Tens	Ones
	




b. 32 – 16 =

Tens	Ones

c. 92 - 28 =

Tens	Ones
