

Year 1 Newsletter

Summer 1 for Week 3 Beginning: 22.4.24

Hello Year 1 Containing: Weekly spellings and homework.

Thank you for everything you do to support your child at school. We are occasionally asked how you can support your child's maths development and this can be as simple as asking them addition and subtraction questions when travelling home so that they begin to learn their number facts, playing old fashioned board games such as snap, dominoes, shut the box, ludo, uno or snakes and ladders. In the bath, let children experiment comparing different shaped containers to see which holds most or least. These ideas are not exhaustive, please use your own imaginations as well. Have fun together discovering our mathematical world.

The children play in the park on a warm day in May.

They waited to play the game of snakes and ladders.

As a treat they all went to the sea and played on the beach.

Where was the secret shop we got the treat from?

We will be practising tricky words. Can you spot the tricky part of the word?

eye	sure	pure	said	were
-----	------	------	------	------

We will be spelling words. Can you write these words? Can you use the correct phonemes?
