

Hello, my name is Miss Wild

I am a Support Assistant in Caterpillars class

What I Like:

I like painting, drawing and making handmade gifts to give to my family and friends.

I love playing with my two dogs Riley and Bailey.

I also like reading lots of stories.

What I don't like:

I don't like wasps when they buzz around and follow you.

I don't like seeing anyone upset.

What I am like as a person

I am a joyful, happy person who will always find a reason to smile.

I am caring and helpful, so will always be supportive and listen to you.

I am also organised and like to make sure everything is tidy after all of the fun and excitement a day can bring.

How I will help you:

I will always be there to support you if you need any help with your work or are unsure about anything. I will help you to learn new things and encourage you to try your best. I will always listen and make sure that you feel happy in school.
