

**Hello, my name is Mrs Rose.**

I will be helping you in Key Stage 2.

**What I like:**

I have a puppy sausage dog called Milo and I love looking after him. I also love football, seaside walks and cooking.

**What I don't like**

I don't like rain. But I do have nice wellies if I have to go out in it!

**What I am like as a person:**

I am a happy person and I like to help children learn new things.

I am good at helping children be happy at school and I will also help you to be happy at Meadows.

**How I will help you:**

I will come and meet you at the school door in the mornings. I am going to help you settle into class. I will help you to join in all sorts of lessons and help you to make new friends at playtime. If you need any help with anything or you get worried, I will try to help you.
