

Meadows First School British Values in the EYFS

These are the ways in which we promote British Values in the EYFS at Meadows First School

| <p>The EYFS already provides a solid foundation to encourage a child's understanding and acceptance that we live in diverse communities with many different cultures and lifestyles. The early learning goal, Understanding the World, clearly states that 'children talk about past and present events in their own lives and the lives of family members...they know about similarities and differences between themselves and others, and among families, communities and traditions.'</p> <p>PSED promotes Learning right from wrong, sharing and inclusion are part of the framework of high-quality provision. But while respecting British values children must also be aware of multicultural society they live in.</p> | democracy | The rule of law | liberty | Mutual respect | tolerance |
