

Hello, my name is Miss Wakefield.
I am a Support Assistant in Sharks class.

What I like:

I like exercising and being healthy, but I also really like cake!

I enjoy spending time with my family and our dog, who is called Yogi. We go for long walks and spend time at our allotment.

What I don't like:

I don't like cheese or spiders.

It upsets me when people are unkind to others.

What I am like as a person:

I am a happy and smiley person. I really like helping others.

I enjoy spending time outdoors exploring and watching nature.

I like to be on the go and busy most of the time.

How I will help you:

I will always listen and be there to encourage and support you. I will help you try and do things for yourself.

I will try and make sure you have a smile and are having fun!
