

Hi, my name is Mrs Glover

I am a teacher in Year 3 in Dolphins class and Sharks Class.

What I like:

I love art especially painting and drawing portraits. I also love walking up the mountains in the Lake District with my family.

What I don't like:

I don't like bad manners! I try really hard to be polite and kind to everyone. If someone is kind and polite to me it makes me happy all day.

What I am like as a person:

I'm a very happy person and I think I'm very lucky to work with lots of different children and adults.

I enjoy helping people so if you need help with anything, I will do my best to help you.

I enjoy having fun when I'm teaching, and I want you to enjoy learning too.

How I will help you:

I can help you in lots of ways with your work, I will always encourage you to have a good go. If you don't understand something, just ask me and I can explain it again in a way that you will understand.

I want you to really enjoy school, in Year 3 learning is great fun!
