

Hi, my name is Mr Wilbrooke

I am the teacher in Cygnets class in Reception. I also run the Digital Leaders.

What I like

I really enjoy being outside and walking in nature, especially if it is raining!

I try and do lots of reading and enjoy mystery stories as well as information books about history.

I love gardening and I try to grow lots of plants that will be good for birds and bees.

What I don't like

I don't like it when the weather is too hot and sunny, I get sunburnt very easily!

I really don't like broccoli and I especially hate baked beans!

What I am like as a person

I like to tell pretty terrible jokes and make people smile.

I love helping people and that's why I love being a teacher.

I think it's important to have fun when we learn as it helps us to remember things better.

I think making mistakes is an important part of life and I try not to get too worried if I make a mistake. So long as I learn from them, I think mistakes can help me get better at things.

How I will help you

As your teacher, it is my job to help you learn as much as you can while you are in Reception. I will teach your lessons and support you if you find something challenging. I will let you know what I think is really great as well as showing you how you can make your work even better next time round.

I am also someone you can always talk to if you are upset about something. I will listen to your concerns and do my best to help you feel better and fix any problems you are having.
