Homework

In Year 4 we set homework every Friday and alternate each week an English and Maths task. We also expect you to read, practise spellings and timetables everyday if possible.

Our aim is that by the end of Year 4 we all know all of the times tables so lots of practise is really important. Don't worry though as we will be helping you and doing lots of practise in school too.

Welcome to Year 4

We are so excited to welcome you into Year 4– the top of the school! As we are the oldest in the school we have lots of new opportunities and responsibilities. We have some fantastic trips, a residential and the opportunity to take part in a bell boating regatta with lots of other schools. We hope you are as excited as we are and come to school ready to learn, have fun and be the responsible, sensible children we have heard all about. **This is some of the information we think might be helpful!**

Being organised!

On the first day you will receive a new planner. Please remember to bring the planner with you everyday so that you can record you reading, important reminders and collect stickers. You will also need to have your reading book in school everyday as we give lots of opportunities throughout the day to pick up your book. When you finish a book remember to take a quiz!

SPELLINGS

Spelling lists are given out every week on a Friday and are stuck into our planners. The spelling list is set on spelling shed so you can practise them throughout the week. We will test spellings on a Friday morning.

PE

We have two PE slots a week.

Jaguars PE days are Tuesday **and Thursday (swimming).**

Tigers PE days are **Wednesday and Friday**

PE KIT

On PE days you can come dressed in your PE kit. On colder days you can wear jogging bottoms and a school jumper.

EARRINGS

If your child has earrings they need to remember to have had micropore tape applied at home to cover their earrings or remember to remove them on PE days.

Water Bottles

It is really important to stay hydrated so that we can do our best learning. Please make sure you have a water bottle in school everyday. They will come home every afternoon so they can be washed and refilled ready for the next day.

Times Tables are very important in Year 4 and we continue to use Times Table Rockstars as a way to learn our tables. Please practise as much as you can so you can use these facts across all areas of the maths curriculum

Lost Property
All our uniform looks the same and so it is very important to name all your child's belongings. You can either iron or sew in name labels or write their name in an indelible pen. Please check we can still read it after every wash.
