

phoneme

is the **sound** (of the letter –
'a' in c-a-t)

grapheme

is the way the sound is **written**
(writing the letter 'a')

blend

is the way that we say sounds **together**
(such as c-a-t reads as cat)

segmenting

Is the way we **split**
words into sounds
(e.g. cat into c-a-t)

alphabet

We also teach the
Alphabet and sing
songs to learn the letter names
