

Meadows First School Knowledge Organiser **SCIENCE** **Year 1 Autumn 1** **Focus: Our Body (Animals including humans)**

Key Knowledge

I am a human and humans are **mammals**.

I can **label** the different parts of my body.

I know there are **5 senses** and I know which parts of the body help me to sense things.

Our senses:	Which body part we use.
Touch	We touch with our hands.
Taste	We taste with our mouths.
Smell	We smell with our nose.
Sight	We see with our eyes.
Hearing	We hear with our ears.

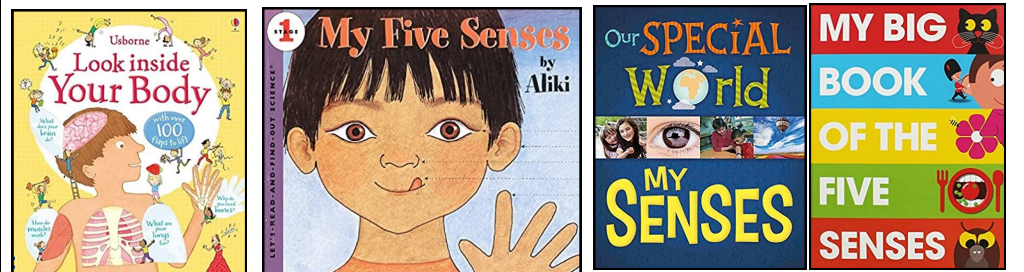

Key Vocabulary

Mammals	Animals that have hair or fur and feed their young with milk.
Label	Drawing a line from something and writing down what it is.
Senses	How we know what is around us. Such as by looking and hearing.
Describe	To draw or write about something.
Compare	Look at how two things are the same and how they are different.
Texture	How something feels. Is it rough or smooth?

Working Scientifically

- Label the different parts of the body and **describe** what each part does.
- Draw around one of the pupils in your class using chalk - label the different parts of the body..
