

# Year 1 Spring Term 1

## English

In English, we will read, 'We're Going on a Bear Hunt'. We will use adjectives to describe settings. Daily phonics sessions and weekly reading will continue. We will also send spellings home to learn.

## Computing

In Computing, we will be using Purple mash to explore a programme called 2Go. We will be Maze explorers too.

## DT

We will be using our skills to design and make a model house.

## P.E.

We will be thinking about sending and receiving skills, yoga, team building and target games.

## Geography and History

Where do we live? We will be thinking about our local area, Bromsgrove. We will identify key human and physical features of Meadows First School and the surrounding environment. We will look at homes past and present.

## Our Town, Bromsgrove

## P.S.H.E.

Our theme this half term is Dreams and Goals

## Music

We will be looking at a unit of work called In The Groove (Blues, Latin, Folk, Funk, Baroque, Bhangra).

## Maths

In Maths we will explore numbers up to 20 including place value, addition and subtraction.

## ART

In Art the children will explore the use of patterns and line in different media. We will make observational drawings of buildings in our town. We will look at the work of L.S Lowry and make our own pieces inspired by his work.

## R.E.

### Judaism

We are going to explore what Jewish people believe and the difference that this makes to how they live.
