

Meadows First School Geography Curriculum

Year 1 Knowledge Organiser

Topic: Let's explore Africa

What I should already know

I know about similarities and differences in relation to places, objects, materials and living things.

I can talk about the features of my own immediate environment and how environments might vary from one another.

Key Skills and Knowledge

I can name and locate Bromsgrove/England and Africa (for Comparison)

I can understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country. (Africa and Bromsgrove)

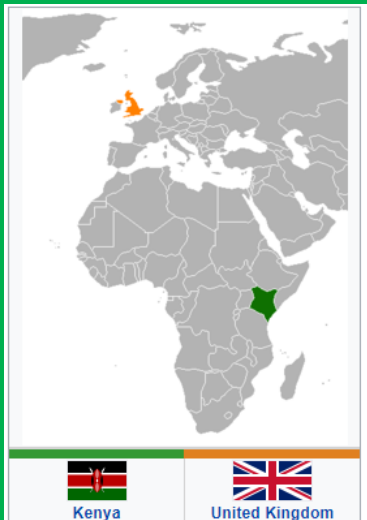

I can respond to teacher led enquiries to ask and respond to simple closed questions

I can use information books and pictures

I can investigate and make observations about my surroundings in the local area (based on school and park) compare with Africa

I can identify seasonal weather patterns in the United Kingdom. (In conjunction with Science)

United Kingdom and Kenya

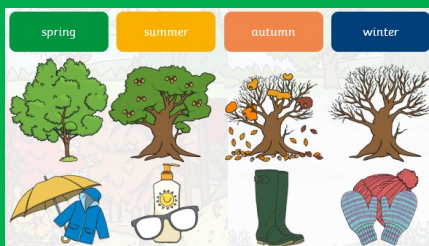

A farm

A house

Seasons

People having fun together
