Idling Campaign

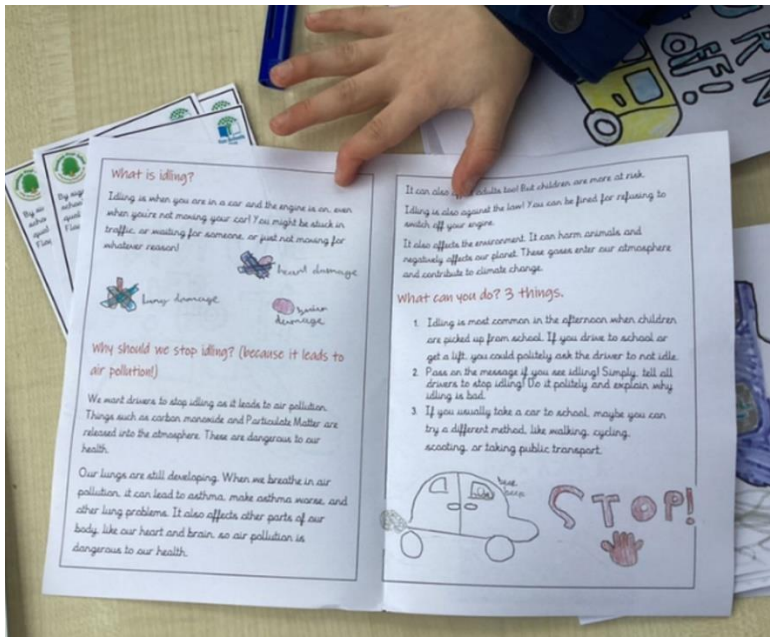

Our Eco Council are taking action and have started an Anti-Idling Campaign!

What is Idling?

- Idling is when a vehicle's engine is on, but the vehicle is not moving.
- It happens when a vehicle is waiting in traffic or when a car is waiting for a shorter period of time at a parking spot or when pulled over on the side of the road.
- It can lead to higher levels of air pollution in and around the school!

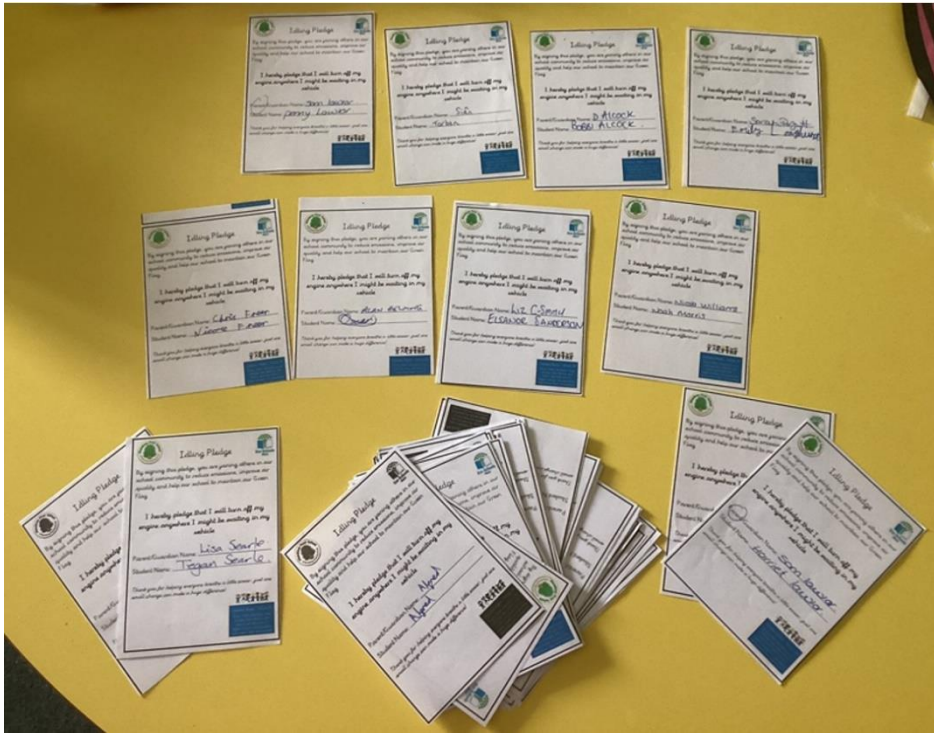

On Tuesday 28th March from 3pm, some children from Eco council will be found in the Key Stage Two playground handing out leaflets about idling and asking parents/carers to sign our anti idling pledges! We hope to see you there.

Dear Mrs Susan Hewitt and Eco council members

We would like to thank you for all your support and for sending us in your beautifully prepared crisp packets.

This will help us make much needed survival items for the homeless and less fortunate and vulnerable communities.

We really appreciate your support with our project.
 Attached is your certificate.
 All the best

A message from our Eco Team!

We have decided that we would like to run a Christmas Jumper sale. Many children have Christmas jumpers at home that they have worn before, but that are now too small for them. It is expensive to buy new ones each year and we do not want the old ones to go to waste. We would really appreciate donations of your used Christmas jumpers, we will then run a Christmas jumper sale where parents/ carers can buy a used jumper for a donation. If you have a Christmas jumper that is in good condition that your child has grown out of or doesn't want any more, can you please bring it into school next week (by Monday 14th November). We will let you know when the sale will take place at a later date.

Thank you,
Eco Team!
