## Spring 1 Week Beginning 2.2.26

**Hello Year 1** Containing: Weekly spellings and homework.

This week the children have been finding more out about life in Victorian times. They are really enjoying the History lessons learning about the past. In computing, the children have been giving instructions, making algorithms to move a character round a maze. If you would like to see what they can do, login to your child's Purple Mash account and use the programme '2 Go'.
