Summer 1 for Week 5 Beginning: 18.5.26

Hello Year 1 Containing: Weekly spellings and homework.

This week, in Maths, the children have been learning about sharing. They have solved lots of problems where they were sharing into groups. They were so clever to use the skills they learned last week in counting in twos, fives and tens as well. Remember to encourage your child to play on their Numbots game at home as well because this really helps children learn number facts. Your child really benefits from any help you give them and they will appreciate this as they grow up.
