Friday 19th June

It was wonderful to see so many of you for the children's first Sports Day at Meadows. The children have been counting down the days and they had such a wonderful time; it was a really supportive and positive experience for everyone involved.

A massive thank you for all of the amazing extreme reading pictures - choosing just one winner per class was such an incredibly hard task! We are holding another book-fair inside the main school building next to the school office which you can visit with your children after school. We will take the children to see the fair at the start of next week.

Next week, our new traditional tale will be Goldilocks and the 3 Bears.

Maths

Next week, we will be exploring capacity in our maths lessons, learning how to describe different sized and shaped containers and deepening our understanding of more and less.

Warm weather

A reminder to parents, that as the warmer weather (hopefully) continues to please ensure children have their water bottles with them in school. Sun hats and glasses are encouraged too as our children do spend a large portion of their day outside, this includes during morning and afternoon choosing time as well as lunch and break time.

Forest School clothing

A reminder that, if we decide that the weather on Forest School days is warm and dry, we may decide that waterproofs are not necessary for the session but all children will need long sleeves and trousers to protect against scrapes and scratches during the session. Do please always send waterproofs in, just in case! Thank you
