

# Reception Newsletter

Friday 26th June

A big congratulations to everyone who hasn't melted this week; fingers crossed for some more sensible temperatures going forward! Next week's traditional tale is Little Red Riding Hood.

## Maths

This week we have been exploring capacity using language like 'full' and 'empty' to describe a containers contents as well as exploring what happens when different sized containers pour their contents into others.

## School Fete

We are holding our annual school fete on Friday 10th July. We hope as many of you can be there as possible to enjoy the stalls and activities on offer and help raise lots of funds for school. More information about timings will follow soon

## Transition to Year 1

You will learn about which Year 1 class your child will move to on **Friday 10th July**. We will let the children know during the day so we can spend some time discussing their new teacher and arranging some informal drop-ins throughout the day. The **following Monday (13th) July will be Transition Morning**. The children will spend some time during the morning in their new classroom with their new teachers. **Please drop off your children at the start of the day to us as normal** and we will take them to their new classes after registration.

**The children will be back with us before lunch.**

Classes do not get mixed around so your child will remain with the same class of children in Year 1.

## Timetable for next week
