Dear Parents and Carers

After half term Year 1 will be studying the topic of materials and toys. They will learn about old and new toys. We hope you will be able to help us by letting us borrow **old toys** which the children's grandparents and you may have played with. For example: Etch a Sketch, old toy cars, vintage games, old teddy bears and dolls.

You can start to bring these toys from **Monday 2nd November**. We would like to keep the toys in the classrooms for a few weeks. The children will handle the toys but not play with them, so **please don't send anything that is breakable or too precious**. Please can you make sure all toys are labelled so that they can be returned safely to you.

The children will create their very own class toy museum, to display the toys and share their work, which you will be able to visit on **Friday 22nd November at 2:40pm**. Please add this date to your diary.

Thank you for your support,
