Year 3 School Closure

Home Learning Week 1

Please help us to continue your child's learning at home during this period of isolation. These activities are designed to be done at home without the need to go out and without lots of additional resources. Feel free to do any extra activities that you feel link to the suggestions—anything you do will be a great help. Thank you for your support

SPELLING SHED!

Please do at least 10 minutes each day. You could also write sentences that include your spellings. Think of 5 other words you do not know how to spell and learn them too!

Reading

Please do some reading each day.

This week's topic project! **Rocks and Soils**

How does rock become soil?
Use this link to find a storyboard of the process and create your own storyboard or comic book about Roger Rock and Simon Soil:

https://www.storyboardthat.com/storyboards/armaan_menon/roger-the-rock-turning-into-simon-the-soil

If you would prefer to act it out as a play, get someone to film you performing!

Oxford Owl—<https://www.oxfordowl.co.uk/>

Other ideas you may like to look at...

- ~ Create a digital artwork using purple mash
- ~ Make a card for someone
- ~ Make your own food for lunch using a recipe
- ~ Find a poem to learn off by heart and perform to your family and to your class when we come back
- ~ Write a story or a poem about your favourite thing
- ~ Create something out of items from your recycling
- ~ Extreme Reading! Take some pictures of you reading in unusual places around your home
- ~ Draw and label a character you have made up You could even write a paragraph to describe your character or use him in a story you make up
- ~ Create a storyboard for your favourite film
- ~ Follow a step-by-step drawing tutorial on Youtube

Purple Mash

Your teacher will set you some activities to do each week. Feel free to explore more activities on it.

Maths—Can you revise and strengthen your column methods for addition and subtraction?

<http://www.snappymaths.com/year3/y3addsub/y3addsub2.htm>

Please do at least 10 minutes of Times Table Rockstars each day. Why not write out some of your times tables or make a board game that uses times tables.
