School Closure Week Beginning 20.4.20

Home Learning Summer Term Week 1

We hope that you are enjoying supporting your child's learning at home during this period of isolation. The tasks are not exhaustive so please do any alternative activities that you feel link to the suggestions and which are suitable for your child. Thank you for your support.

Words with 'ow' or 'oa' spelling

'ow' 'oa'

blowing boat

snowed coats

growing coaches

showed road

Friday SPELL- INGS!

Please do at least 10 minutes each day. Here are the words to learn for a test you could do with your child on Friday:

Key Words

October goes

Monday: Make a shape dinosaur. Draw round objects, or use a ruler, to make the shapes. You could cut out shapes from different coloured paper, or create a collage using different papers for interesting textures.

Tuesday: Create your own dinosaur. Gather some empty boxes to use. You could paint it when you have finished making it.

Wednesday: Build a background scene for your dinosaur to live in. You could make it from lego or playdough, depending what you have available.

Thursday: Dress up as a dinosaur. Make a mask if you like! Are you scary or friendly?

Friday: Take a blanket outside and watch the clouds on a cloudy day. See if you can spot any clouds that look like dinosaurs. Do they have spikes or long tails?

Please take a look at our new StayInWorkOut information with advice and ways to stay active!

If you would like to contact us, you can now use our new class email addresses:
