

Summer Term Week 1

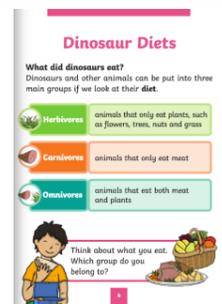

Here are some activities for you to try at home:

Year 1 suggested timetable week 20.4.20

Sites needed: <https://www.bbc.co.uk/teach/supermovers>

<https://www.educationcity.com/>

	Morning session		Afternoon Session
Monday	<p>9:00 movement time https://www.bbc.co.uk/teach/supermovers/ks1-maths-multiplication-and-division-with-clara-the-hen/zbt9scw</p> <p>9.30 English Listen to Harry and the Bucketful of Dinosaurs https://www.youtube.com/watch?v=uWoopkMgLaM Make a list of the names of Harry's dinosaurs in your neatest handwriting.</p> <p>11.00 Maths Watch the double numbers clip: https://www.youtube.com/watch?v=e-KTHfrFit0</p> <p>Use objects to practise your doubling of numbers. Try and go up to double 10. There is some work</p>	 	<p>READING— book, comic etc or ebook through PurpleMash (Serial Mash) or Oxford Owl.</p> <p>Spelling— See list on next page or newsletter.</p> <p>PURPLEMASH TYPING PRACTISE (See Alerts)</p> <p>TOPIC/CREATIVE ACTIVITY -</p> <p>Make a shape dinosaur. Draw round objects, or use a ruler, to make the shapes. You could cut out shapes from different coloured paper, or create a collage using different papers for interesting textures.</p>
Tuesday	<p>9:00 movement time https://www.bbc.co.uk/teach/supermovers/ks1-maths-multiplication-and-division-with-clara-the-hen/zbt9scw</p> <p>9.30 English Explore the dinosaur fact videos on https://www.bbc.co.uk/cbeebies/curations/dinosaur-facts Choose your favourite dinosaur and draw a picture and write factual sentences about it. Use the sheet provided if you like.</p> <p>11.00 Maths Use objects to show your doubles up to double 10. Ask a grown up to explain 'halves'. What is half of 10? What is half of 8? What is half of 6? Etc...</p>		<p>READING— book, comic etc or ebook through PurpleMash (Serial Mash) or Oxford Owl.</p> <p>Spelling— See list on next page or newsletter.</p> <p>PURPLEMASH TYPING PRACTISE (See Alerts)</p> <p>TOPIC/CREATIVE ACTIVITY -</p> <p>Create your own dinosaur. Gather some empty boxes to use. You could paint it when you have finished making it.</p>
Wednesday	<p>9:00 movement time https://www.bbc.co.uk/teach/supermovers/ks1-maths-multiplication-and-division-with-clara-the-hen/zbt9scw</p> <p>9.30 English Find out what dinosaurs ate. Use the Dinosaur Diet leaflet and answer the questions orally or in written sentences.</p> <p>11.00 Maths Watch the clip called How to use arrays to multiply: https://www.youtube.com/watch?v=XOyOVDmjUdo Practise counting your twos, fives and tens.</p>		<p>READING— book, comic etc or ebook through PurpleMash (Serial Mash) or Oxford Owl.</p> <p>Spelling— See list on next page or newsletter.</p> <p>PURPLEMASH TYPING PRACTISE (See Alerts)</p> <p>TOPIC/CREATIVE ACTIVITY -</p> <p>Build a background scene for your dinosaur to live in. You could make it from lego or playdough, use whatever you have available.</p>
Thursday	<p>9:00 movement time https://www.bbc.co.uk/teach/supermovers/ks1-maths-the-2-times-table-with-bridget-the-lioness/zrrx92p</p> <p>9.30 English Talk about the picture and write a story or sentences about it using your senses.</p> <p>11.00 Maths Can you make a shape dinosaur? There are some ideas attached. Try to use circles, squares, triangles and rectangles of different sizes.</p>		<p>READING— book, comic etc or ebook through PurpleMash (Serial Mash) or Oxford Owl.</p> <p>Spelling— See list on next page or newsletter.</p> <p>PURPLEMASH TYPING PRACTISE (See Alerts)</p> <p>TOPIC/CREATIVE ACTIVITY -</p> <p>Dress up as a dinosaur. Make a mask if you like! Are you scary or friendly?</p>
Friday	<p>9:00 movement time https://www.bbc.co.uk/teach/supermovers/ks1-maths-the-2-times-table-with-bridget-the-lioness/zrrx92p</p> <p>9.30 English Time for your spelling test. Then make a dinosaur information poster or leaflet using the word mat provided.</p> <p>11.00 Maths Count the Dinosaurs on the I Spy counting sheet and write numerals to match. Are all your numbers the right way round? Remember to write each one from the top.</p>		<p>READING— book, comic etc or ebook through PurpleMash (Serial Mash) or Oxford Owl.</p> <p>TOPIC/CREATIVE ACTIVITY—Take a blanket outside and watch the clouds on a cloudy day. See if you can spot any clouds that look like dinosaurs. Do they have spikes or long tails?</p> <p>Extra Saturday Baking Activity Get your roooaaarrr on with these cute and creative dinosaur biscuits.</p> <p>https://realfood.tesco.com/recipes/dinosaur-biscuits.html</p> 

Year 1 suggested ideas week

	TOPIC/CREATIVE ACTIVITES FOR THIS WEEK
Monday	<p>DAILY Reading and Phonics Please do lots of reading each day. https://www.phonicsbloom.com/uk/game/list/phonics-games-phase-5</p> <p>SINGING For a free song to learn everyday https://www.outoftheark.co.uk/ootam-at-home/?utm_source=megamenu&utm_campaign=ootamathome1_a2&utm_medium=advertsquare</p>
Tuesday	<p>DAILY Reading and Phonics Please do lots of reading each day. https://www.phonicsbloom.com/uk/game/list/phonics-games-phase-5</p> <p>Maths clip: This Link shows a video about doubles and halves: https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item785328/grade1/module784709/index.html?source=search-all-all-all-all&source-keywords=doubling%20and%20halving</p>
Wednesday	<p>DAILY Reading and Phonics Please do lots of reading each day. https://www.phonicsbloom.com/uk/game/list/phonics-games-phase-5</p> <p>Computing— Your teacher has set a 2DO on Purple Mash so please check this. Can you write a dinosaur report? Try one of the animal matching games: https://www.natgeokids.com/uk/category/play-and-win/games/</p>
Thursday	<p>DAILY Reading and Phonics Please do lots of reading each day. https://www.phonicsbloom.com/uk/game/list/phonics-games-phase-5</p>
Friday	<p>DAILY Reading and Phonics Please do lots of reading each day. https://www.phonicsbloom.com/uk/game/list/phonics-games-phase-5</p>

KEY WEBSITES AND LINKS

PurpleMash/SerialMash: use child logins provided <https://www.purplemash.com/ql/52b07575e72c3>

Oxford Owl: <https://www.oxfordowl.co.uk/>

Topmarks: <https://www.topmarks.co.uk/maths-games/>

Singing: <https://www.outoftheark.co.uk/ootam-at-home/?www.discoveryeducation.co.uk>

Discovery Espresso: U/N: **student31661** P/W: **meadows1**

Year 1 Spellings

Please do at least 10 minutes each day. Here are the words to learn for a test you could do with your child on Friday:

Words with 'ow' or 'oa' spelling

	'ow'	'oa'
		
blowing		boat
snowed		coats
growing		coaches
showed		road

Key Words

October goes

You may wish to watch NEWS BITES too.

Monday

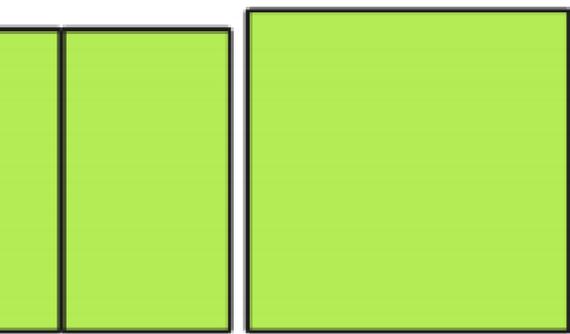

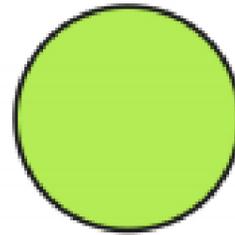

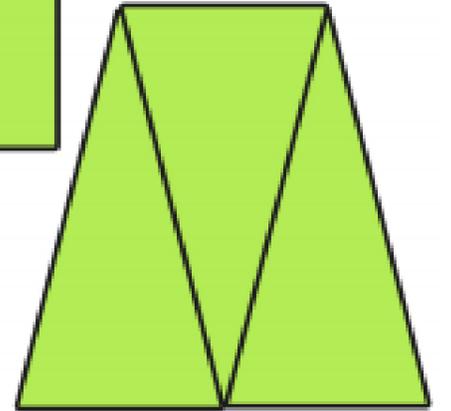

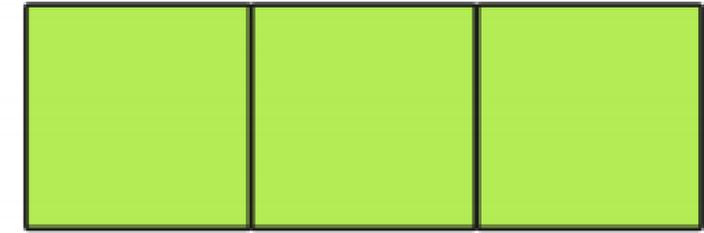

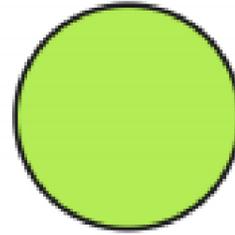

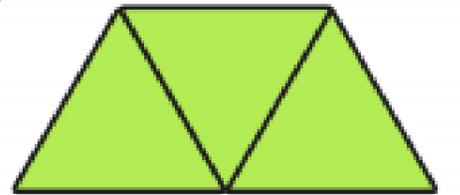

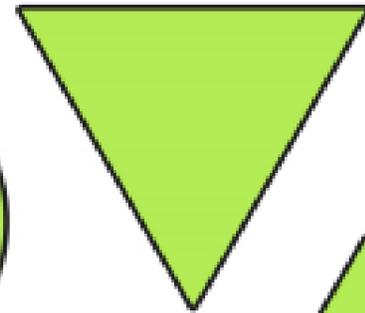

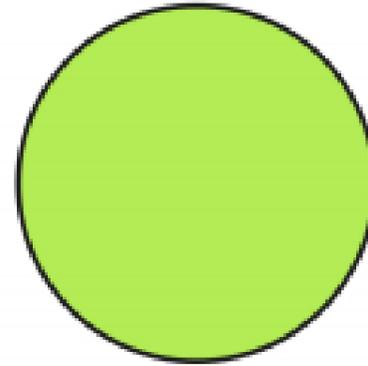

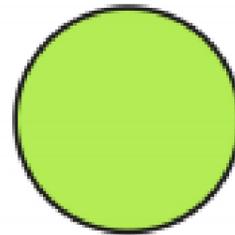

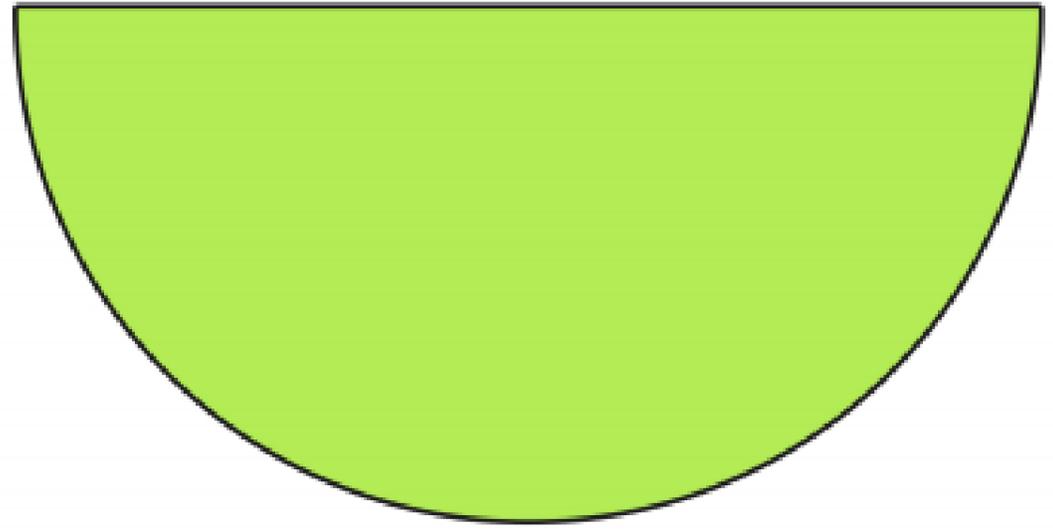

Build Me!

Build Me!

Build-a-Dino Activity

Find out more about dinosaurs:

Watch the information videos. How many different dinosaurs can you name? Write a list of all the ones you know.

All About Dinosaurs

When did dinosaurs live?

Dinosaurs lived on Earth over 200 million years ago. They were part of the **reptile** family and lived for over 160 million years.

They became **extinct** around 65 million years ago.

Some **scientists** say that the dinosaurs were killed when an **asteroid** hit Earth and others say they were killed by volcanoes.

Many dinosaurs were huge but some were only the size of a big bird.

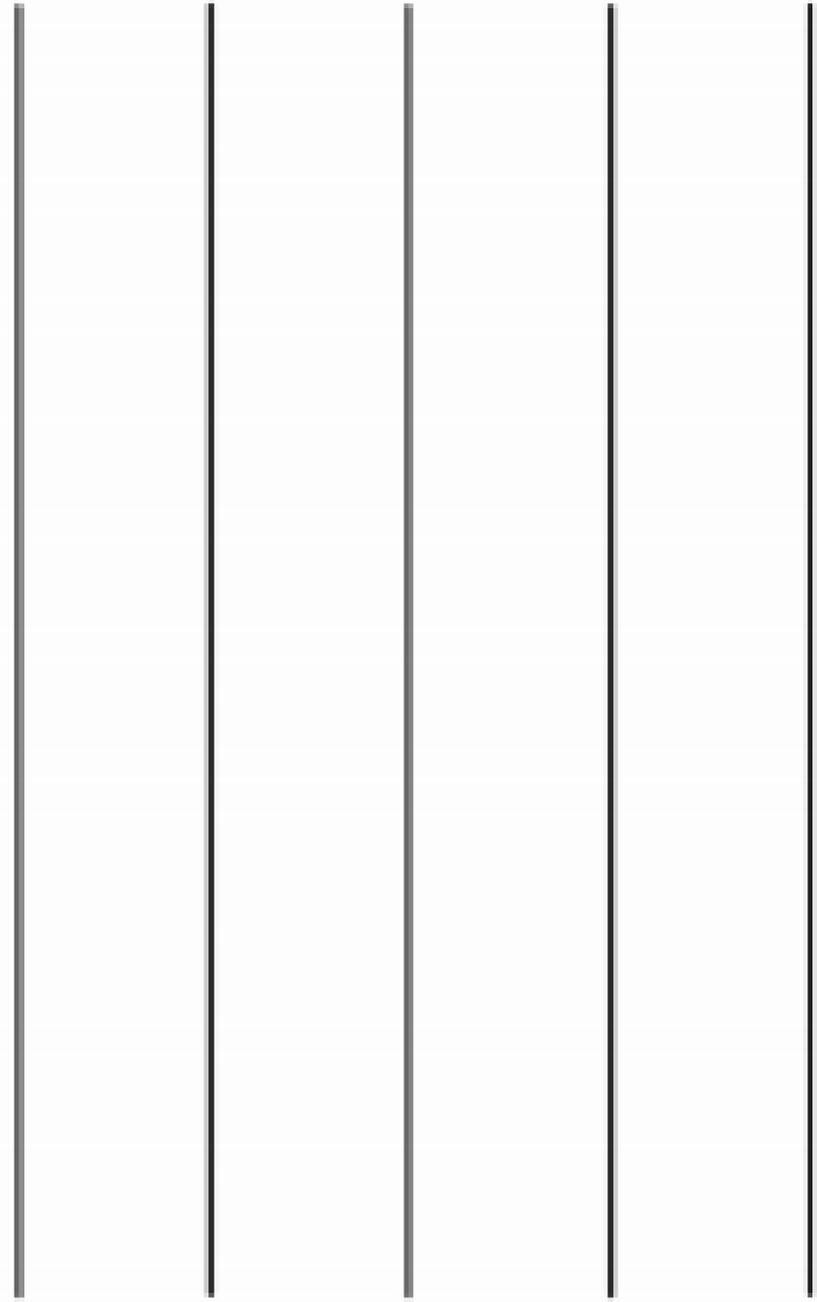

Did you know...
?

Brachiosaurus
(brack-ee-o-sor-us)
could grow up to 30
metres long.

Dinosaur Diets

What did dinosaurs eat?

Dinosaurs and other animals can be put into three main groups if we look at their **diet**.

Herbivores animals that only eat plants, such as flowers, trees, nuts and grass

Carnivores animals that only eat meat

Omnivores animals that eat both meat and plants

Think about what you eat. Which group do you belong to?

Meet the Herbivores

Which dinosaurs were herbivores?

The first dinosaurs were herbivores or plant-eaters. They were short and wide. Later, other dinosaurs developed long necks which let them eat the leaves and branches from the tallest trees.

Think about herbivores today. Can you think of one which has a long neck?

Iguanodon (ig-warn-a-don)

Diplodocus (dip-lod-o-cus)

Apatosaurus (a-pat-o-sor-us)

Brachiosaurus (brack-ee-o-sor-us)

These dinosaurs were all herbivores.

Plants are hard to **digest** so herbivores often have long bodies which give lots of time to break down their food.

Did you know...? The Argentinosaurus (ar-jen-teen-o-sor-us) was the largest plant-eating dinosaur ever to live.

Meet the Omnivores

Which dinosaurs were omnivores?

There weren't many dinosaurs that were omnivores. The Ornithomimus (or-ni-thom-i-mus) and the Oviraptor (o-vi-rap-ter) were both omnivores. They were bird-like dinosaurs with feathers and beaks. They had long legs to make them fast runners.

They ate plants, eggs, insects, small mammals and reptiles.

Think of animals that are alive today. Can you think of any that are omnivores?

Did you know...? The name 'Oviraptor' means egg-taker.

Ornithomimus (or-ni-thom-i-mus)

Oviraptor (o-vi-rap-ter)

Meet the Carnivores

Which dinosaurs were carnivores?

The carnivores (meat-eaters) were fierce **predators**. Many had large jaws with sharp teeth to help them tear meat. They were very fast and powerful, which helped them to catch other dinosaurs to eat.

Think about carnivores today. Can you think of one that is very fast?

Carnivores had strong jaws.

Tyrannosaurus rex (tigh-ran-o-sor-us rex)

Velociraptor (ve-lo-si-rap-ter)

Allosaurus (a-lo-sor-us)

Did you know...? The Compsognathus (comp-sog-nath-us) was one of the smallest carnivores. It grew to about the size of a turkey. It ate small animals and insects.

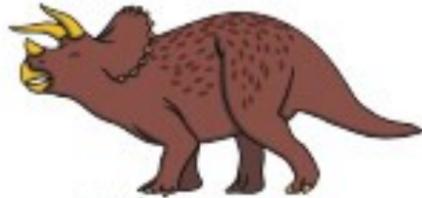

Thursday

Write some sentences about this picture:

Use your senses to describe what you see, what would you hear, any smells and what would you feel?

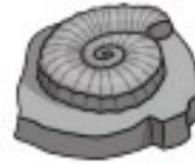

Dinosaurs

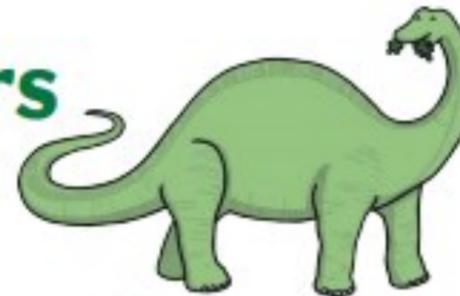

Triceratops

Tyrannosaurus Rex

Fossil

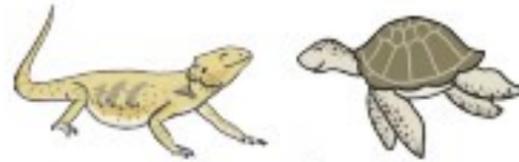

Apatosaurus

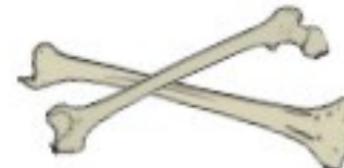

Iguanodon

Scales

Reptile

Bones

Eggs

Plesiosaur

Herbivore

Huge

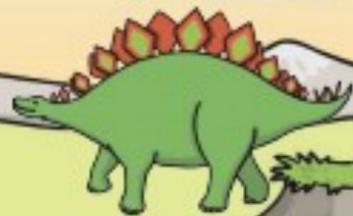

Extinct

Prehistoric

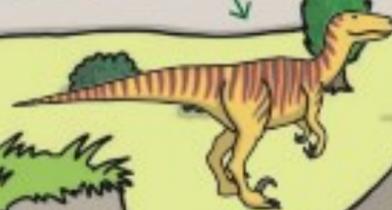

Large

Carnivore

Stegosaurus
