

Maths

Week Beginning

Monday 18th May

Please remember that these activities are as a guide only. Do not feel under pressure to complete them all, or to do them on the day that they are given for. Adapt, adjust and play around with them to suit you, your child and your family.

Monday 18th May

Can you make 5 little flowers to use as you sing the number song?

https://www.youtube.com/watch?v=eFWXPmUg_IQ

Number of the day!

19

Can you count 19 objects?

Can you do 19 jumps?

Can you find the number 19 in your house?

What is one less than 19?

What is one more than 19?

White Rose Maths—Home Learning

Summer term—Week 5 (w/c 18th May)

<https://whiterosemaths.com/homelearning/early-years/> - click the link and watch the video for Day 1 Superworm. Click Get the Activity to see the linked activities. Please do not feel that you need to do all of the suggested activities.

Starting with a Story Reception

Talking Together

Can you make your own mini beast patterns?
Take this further by using different sizes of the minibeasts!
For example, length or size of your superworms!

White Rose Maths

Ladybirds counting game.

<https://www.topmarks.co.uk/learning-to-count/ladybird-spots>

Menu Put the ladybirds on the leaves in order 

smallest largest

Five ladybirds with different numbers of spots are shown below the leaves, intended to be placed on them.

Tuesday 19th May

Let's count to 20. March around the room as you count and sing!

<https://www.youtube.com/watch?v=Aq4UAss33qA>

Number of the day!

20

Can you count 20 objects?

Where can you see the number 20?

What is one less than 20?

What is one more than 20?

Challenge: How many ways can you make 20?

White Rose Maths—Home Learning

Summer term—Week 5 (w/c 18th May)

<https://whiterosemaths.com/homelearning/early-years/> - click the link and watch the video for Day 2 Superworm. Click Get the Activity to see the linked activities. Please do not feel that you need to do all of the suggested activities.

Starting with a Story

Reception

Talking Together

We can see the worms he draws look a bit like our number lines at school!

Draw your worms but start at different numbers!

Purple Mash—Addition to 10 game.

Go to <https://www.purplemash.com/login/> and log in (please let us know if you do not know your details). This game will be set as a 2do: Addition to 10.

Wednesday 20th May

Number of the day!

21

Can you count 21 objects?

Can you clap 21 times?

Can you find the number 21 in a book?

What is one less than 21?

What is one more than 21?

Can you create some actions to go with the song?

<https://www.bbc.co.uk/programmes/p065rdqd>

White Rose Maths—Home Learning

Summer term—Week 5 (w/c 18th May)

<https://whiterosemaths.com/homelearning/early-years/> - click the link and watch the video for Day 3 Superworm. Click Get the Activity to see the linked activities. Please do not feel that you need to do all of the suggested activities.

Starting with a Story

Reception

Talking Together

Superworm the skipping rope.

How many skips can you do in 1 minute?

Can a grown up time you? Check your counting!

How else can you move your body like Superworm.

Can you hula hoop for 1 minute?

Can you use your body as a swing
- swing your arms?

Can you count 20 of one move
and count it?

Guess the number game

Put number cards from 1 to 20 into a bag or face down on a table.

Take turns to pick a number and describe that number.

Examples:

It is smaller than 10.

It is in between 5 and 8.

It is 1 less than 15.

1	2	3	4	5
6	7	8	9	10
11	12	13	14	15
16	17	18	19	20

Thursday 21st May

Let's count to 20 with a Super Simple Song, counting bananas!

<https://www.youtube.com/watch?v=Vr-L6q4vbWU>

Number of the day!

22

Can you count 22 objects?

Can you do 22 hops?

Where can you see the number 22?

What is one less than 22?

What is one more than 22?

White Rose Maths—Home Learning

Summer term—Week 5 (w/c 18th May)

<https://whiterosemaths.com/homelearning/early-years/> - click the link and watch the video for Day 4 Superworm. Click Get the Activity to see the linked activities. Please do not feel that you need to do all of the suggested activities.

Starting with a Story Reception

Talking Together

Pick your tin!

Look at the different sizes of these cylinders!

Look at making labels and think about the amount that will be in that tin! If you draw around the old label then you can get the exact size.

Pick your minibeast contents. Are there going to be just one minibeast in a can? Make labels as fancy as you want!

(Grown ups you might want to mark the tin with what is really in it!)

Counting sounds game.

https://central.espresso.co.uk/espresso/modules/ey_0to10/act_countsounds_0to10.html

Username: Student31661 Password: meadows1

Counting sounds (0-10)

Listen carefully and count how many times you hear Ash kick the ball.

0 1 2 3 4 5 6 7 8 9 10

Friday 22nd May

Let's have a counting rhyme. Do you remember this song? Can you add some actions?

<https://www.bbc.co.uk/programmes/p06kvjcc>

Number of the day!

23

Can you count 23 objects?
Can you find the number 23 in
your house?

What is one less than 23?
What is one more than 23?

White Rose Maths—Home Learning

Summer term—Week 5 (w/c 18th May)

<https://whiterosemaths.com/homelearning/early-years/> - click the link and watch the video for Day 5 Superworm. Click Get the Activity to see the linked activities. Please do not feel that you need to do all of the suggested activities.

Starting with a Story Reception

Talking Together

Of course we are not going to cut real worms!

Grown ups cook some spaghetti until almost cooked and then rinse under cold water. You can add food colouring to make them any colour you want if you want fancy worms!

You now have ready made worms to cut.

(You can use string, dough or wool if you don't have spaghetti.)

Can you order them in length?

What is your longest worm as long as in your house?

What is your shortest worm as long as?

Bonds to 10 game.

Can you find the two numbers that make 10?

<https://www.topmarks.co.uk/maths-games/mental-maths-train>

◀ Menu Addition: Bonds to Make 10 Score: 0 / 0

Which two numbers added together make 10?

$3 + 8$ $3 + 5$ $2 + 7$ $3 + 7$
