Over the past few weeks we have noticed a few children are coming into school with shoes that have laces but they are unable to tie them independently. Usually we would be happy to help but due to current social distancing rules we would greatly appreciate if children could be taught how to tie their own laces at home or sent to school with velcro shoes if this proves difficult to do. Thank you for your support in this matter.

In order to ease large gatherings on the reception playground we have been asked to open our doors at precisely 15:05. This will mean parents may need to wait outside the classroom so please be sure to maintain social distancing and wear a face mask when dropping off and collecting children. Thank you for working with us to make the school as safe as possible.
