

Year 1 Newsletter

Autumn 2 Week 2 Beginning 9.11.20

Hello Year 1 Containing: Weekly spellings and homework.

The children have worked hard this week and have particularly enjoyed their new materials Science topic and the waterproof investigation that we did. They were thinking about which materials would make the best coat to keep a teddy dry.

Sometimes the children may bring the same reading book home more than once. It is helpful if they can read the text again to ensure they get consolidation of sounds and tricky words within the book and improve their fluency too.

As it becomes colder, please make sure your child has a warm coat which they can independently fasten up with a clear name tag in it so that we can easily identify it.

From Mrs Tricklebank, Mrs Webb and the Year 1 Team
