# A Reindeer for Christmas

Dear Santa,

This Christmas our list is quite small.

In fact, we need practically nothing at all.

Our list is so short and so easy to read

Because there's just one thing we actually need.

A reindeer for Christmas is all we require;

A reindeer, of course, who's an excellent flier.

We really don't care if it's Dasher or Dancer.

We're okay with Cupid or Comet or Prancer.

Please don't think we're greedy; we only want one.

You won't even miss him, and we'll have such fun.

We promise we'll feed him and treat him just right,

And take him out flying around every night.

You see, we're not selfish. So for our surprise

this Christmas, please bring us a reindeer that flies.

But if our request is a bit much for you,

We guess some iphones will just have to do.
