Spring 1 Week Beginning 5.2.24

Hello Year 1 Containing: Weekly spellings and homework.

This week your child has been working on their DT project to design and make a model house. Thank you for providing the children with the materials needed to do this. They have returned some items so that they can practise their craft skills at home. In English we have seen some great descriptions of a bear. The children should feel very proud of their writing achievement so far and you will be able to see their progress at the parents evening next week. We are really looking forward to meeting you.
