## ACCEPTABLE USE OF INTERNET & EMAIL

### For Foundation Stage

**These rules are designed to keep everyone safe and help us to be fair to others:**

**This is how we stay safe when we use computers:**

- I will ask an adult if I want to use the computer
- I will only use activities on the computer, if an adult says it is OK.
- I will take care of the computer and other equipment
- I will ask for help from an adult if I am not sure what to do or if I think I have done something wrong.
- I will click on the dolphin (at school) on the monitor and tell an adult if I see something that upsets me on the screen at home and in school.
- I know that if I break the rules I might not be allowed to use a computer.
- I understand these computer rules and will do my best to keep them
