

Meadows First School Knowledge Organiser
SUBJECT DT

TERM Autumn 1 YEAR GROUP 1
FOCUS/ THEME: Healthy Breakfast (using fruit)
(Science senses- taste, Geog- Where food comes from?)

Techniques /Skills:

NC:
Select from and use a wide range of materials and components, including construction materials, textiles **and ingredients**, according to their characteristics.

Skills:

- Select and use appropriate **fruit** and vegetables, processes and tools.
- Use basic food handling, hygienic practices and personal hygiene.
- Draw on their own experience to help generate ideas.
- Suggest ideas and explain what they are going to do.
- Identify a target group for what they intend to design and make.

Evaluation

Key Vocabulary

Word/ term	definition
Salad	A cold dish of vegetables of fruit.
Healthy	Our body needs to be in good condition.
Skin	Outer protective layer of fruit (and vegetables).
Evaluation	Do you like how it looks, smells, tastes and feels?
Ingredients	The food that is chosen to make a meal/dish.
Hygienic	Means to be clean. You must wash your hands and not touch your face.

Key People / information

We will invite Waitrose to visit and provide ingredients to allow us to make a healthy breakfast or Fruit Salad. The children will design, make (chop, peel and prepare) and taste (evaluate) their meal. Fruits and ingredients will be chosen according to seasonal production and availability. Granola, yoghurt, jam may also be used. Children will be shown the cutting edge of a knife and the grip needed.

Recap and Retrieval:

Why do we need to wash our hands before cooking? (to get rid of the germs)
Why are vegetables good for our body? (keep us healthy/**they give us vitamins/fibre**)
