

Year 1 Spring 2 Term

Science

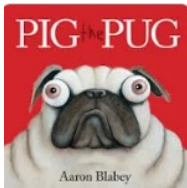

This half term we will be finding out all about common animals including fish, amphibians, reptiles, birds and mammals. We will identify animals that are carnivores, herbivores and omnivores. We will continue to look at Seasonal Changes (Spring).

Maths

In Maths we will explore numbers up to 50 including place value and look at measurements including length, height, weight and volume.

English

In English we will look at Pig the Pug, How to be Dog and think about other animal reports linked to our Science topic about animals.

Animal Allsorts

ART

In Art we will be finding out about Matisse, exploring texture and thinking about printing.

Computing

In computing, we will be using Purple Mash to practise our coding.

P.S.H.E.

Our theme this half term is Healthy Me.

R.E. Judaism

We will find out about the story of David and Goliath. We will find out about Hannukah.

Music

Our Charanga Unit is called **Round and Round**. We will experiment with, and create, sounds using the inter-related dimensions of music.

P.E.

We will be practising our skills in sending and receiving, yoga, team building and target games.
