

## Social Story Returning to School

 <p style="text-align: center;"><b>Welcome back; we missed you!</b></p>			
<p>In September, I can go back to school. I have to wear a uniform and school shoes unless it is a PE day. Then I can wear my kit and trainers. I only need to bring my book bag, my lunch (if not having a school lunch) and my drink.</p>	<p>I will start and finish school at different times to usual. This is okay as it will help everyone get to school safely. If my grown up needs any information, it will be safer if they ring or email the school office@meadows.worcs.sch.uk</p>	<p>Years R, 1 and 2 -My parent/ carer will walk me to the gate along the service road, leave me at the classroom door at the allotted time and then they will follow the one-way system out through the Nursery gate.</p>	<p>Years 3 and 4- I will come into school through the Early Years door. I will need to wait well away from the door/gate with my grown-up and I will need to stay at least 1m away from other children and parents.</p>
			
<p>My teacher will call me into class from the line outside classroom at my start time. My grown-up will have to stay behind the line as I walk in; they can't come into school, as the less people we have coming into school will help us to keep safe.</p>	<p>As soon as I get to school, I will need to wash my hands. I will wash my hands lots of times during the day.</p>	<p>I will sing "Happy Birthday" twice whilst I wash my hands.</p>	<p>When I get to school, things might look a little bit different. This is to keep everyone safe.</p>

## Social Story Returning to School

			
<p>I will stay with the friends in my class. I can't mix with other classes. This might make me feel a bit sad, but I will have other friends to play with. The adults in school will work hard to make sure I am safe and happy.</p>	<p>I still need to try to stay one metre away from my teacher if possible. This is ok because it is how we will stay safe.</p>	<p>I will need to wash my hands lots of times a day. There will be sinks that I can use, as well as anti-bacterial gel. Some of my teachers might be wearing gloves to keep us safe.</p>	<p>My classroom might look a little bit different at the moment. I will still have fun and learn lots of new things.</p>
			
<p>Assemblies will take place in our classrooms. We will not have whole school assemblies in the hall. This is so that we can stay with our own class for the day and keep each other safe.</p>	<p>Lunchtime will be different too- this is to keep me safe. Years R, 1 and 2- I might have lunch at a different time. I will eat my lunch in the hall with my class.</p>	<p>I will eat my lunch in my classroom if I'm in years 3 and 4. This is ok because I will still get to eat my lunch and go out to play.</p>	<p>Playtime will be different. This is to keep me safe. I will play with my class on our own playground.</p>
			
<p>If I am poorly, I will be taken to a care room where someone can look after me until someone from my home can come to pick me up. This is ok. It is to keep my friends and teachers safe.</p>	<p>If I fall over at school, a teacher will help me. Some of the teachers in school might be wearing masks. This is ok.</p>	<p>Things might feel a bit different and I might feel confused, sad or worried. If I feel these things, I can talk to the people I can trust at home or my teachers. They will help me.</p>	<p>It's ok to ask questions. There are lots of people who can help me.</p>
