## A Message from Mrs Hewitt

A big thank you goes to the Friends of Meadows who have given the school £2000 to spend on home reading books for the children. The money they raise through their fundraising activities helps to provide extra resources that will aid the children's learning. We really appreciate the support that they give to the school.

Thank you to the parents who joined us for the Reception phonics meeting on Wednesday evening; I hope that you felt that it was useful. If you have any further questions, please ask the teachers during the parents evenings next week. Thank you to the teachers who stayed during the evening to deliver the workshop; I appreciate their support.

Next week is the last week of this half term. It is arts week, and we are looking forward to welcoming you to draw with your children in their classrooms.
