

Friday 11th October

On Monday the children were beyond excited to discover footprints on our classroom carpets after lunch, leading to a sack of clues and a copy of *Where the Wild Things Are*. We have looked at great detail at parts of the book and discussed some of the beautiful language. The children are very enthusiastic and really enjoying the text. This will continue next week

In maths we have been exploring the number 5. This will continue next week.

Our sounds for next week will be g,o,c,and k.

We have started to send home the Marvellous Me boxes. Every single one of them is beautiful and the children have been so proud of them. It has been a pleasure to share them with your children and to see their joy, pride and confidence as they have talked about them to their classmates.

Please remember to send in reading diaries and reading books (placed inside reading diaries) every day. The children do share their books with adults within school so need to have their books with them daily.

You should have all received your Tapestry login emails. If you haven't this may be down to human error so please speak to your child's class teacher. Please do add your own photos and comments as the children love to share their experiences with their teachers and friends.

In the mornings please wait in the Year 1 playground until the doors are open, even if the gate is open. Sometimes it may get blown open accidentally.

We will send home Parent Teacher meeting times soon. These will be on slips inside reading diaries.

Please can you send in cardboard tubes and plastic food trays for art activities next week.

Goslings will go to Forest School on Tuesday.
Cygnets will go to Forest School on Thursday (this is a change for 1 week only).
Both classes will have PE on Friday.

The next set of letter sounds are coming home today. Please make sure that the letters are written in 1 continuous movement (except i) and in pencil. Also make sure that they are clearly named.
