

Friday 25th October

This week has been Arts Week throughout the school. We have spent the whole week being creative! We have used the beautiful autumn leaves and colours around us to inspire us as well as the festival of Divali.

The children have had a very busy week, which has involved lots of out of routine activities. On Monday they had the flu immunization. Tuesday was school photo day as well as a session with Jon the Potter. On Thursday we joined the rest of the school to watch the Year 2 assembly. The children all coped very well with the changes.

After the half term break we will be moving on to a new theme, using the book I Am Henry Finch as our stimulus.

Our phonic letters will be h, b f and ff.

In maths we will be starting to calculate, and introducing 1 more as a concept.

Please make sure that all hats and gloves are named. Children need to be able to put their own gloves on independently, if they can't then please consider mittens. If not attached to coats then please teach your child to keep their gloves in their coat pockets.

Over the holiday please make sure that all PE kit items are clearly named.

Today we have awarded the stickers for the first Jungle Agility challenge and have set the children the next challenge. Happy jumping!

Forest School

Goslings will have Forest School on Tuesday 5th November.

Cygnets will have Forest School on Wednesday 6th November.

Please use Tapestry to share your holiday adventures. The children love sharing experiences with their friends. If you haven't received your log in email then please check your junk folder.

Thank you to so many of you for joining us in the classrooms on Wednesday for our Big Draw session. We know that the children were really excited to welcome you into their classrooms and to share their creative activities with you.
