

Friday 18th October

The children have continued to be very enthusiastic about Where The Wild Things Are this week. They have done some beautiful paintings and art work and have engineered some amazing boats. Their writing is making lovely progress as they have written about where Wild Things have been hiding.

Next week we will be throwing ourselves fully into the school Arts Week as well as talking about the Diwali festival.

The sounds for the week will be ck (as a single sound), e, u and r.

Our maths focus has been counting carefully to and using numbers to 5. We will continue this, using the language “more”, “fewer” and “equal” to compare groups of objects.

On Wednesday 23rd October at 2:30 we would like to invite you to our Big Draw session. This will take place in the classrooms so please wait outside the Early Years door (opposite to the door we normally use) to be let in.

At 3:00 we will ring the bells in the classroom. Please then leave the classroom via the other door to wait outside as normal so that we can get the children ready for home-time.

We are looking forward to seeing you at Parent Teacher consultation meetings next week. These meetings are held in the classrooms. Where possible please make arrangements so that your child is not at the meeting.

Stay and play dates for the year will be
November 29th (Library)
January 17th (Maths)
January 31s (Phonics)
March 11th (Sport Relief)
May 15th
July 3rd

There will be NO FOREST SCHOOL for either class next week.

Individual photographs will be taking place on Tuesday. If your child has a sibling in school they will have their photo taken together as well as individually.

We will be doing some work with clay next week. It would be very helpful if you could send an old adult sized t-shirt in that your child could use to wear over their uniform to keep clean.
