Car Park

Please could I remind parents that when the school gates are locked that cars should not be moved around the car park. We would also be grateful if engines could be turned off to prevent children breathing in the fumes as they pass.

A Message from Mrs Hewitt

As part of the Woodland Trust's project 'Plant A Million Trees' Year 4 have planted 45 trees in our wellbeing garden and along the edge of the field. We hope that they will help combat climate change and be great for the wildlife too. They should hopefully also provide screening along the path, and eventually shade in the summer.

Year 4 had a lovely time at The Methodist Centre on Thursday where they went on a journey back in time to remember the real meaning of Christmas. On the way back, two members of the public stopped and complimented the children on their manners.

Reception really enjoyed their parents joining them at the library this week, Nicki a librarian, read the children a story, before asking them to write their favourite book on a bauble which is now on display in the library.

We are looking forward to welcoming you to our Christmas productions next week.
