

Friday 7th December

We really have got into Christmas mode this week. Our rehearsals for our Christmas play, Whoops a Daisy Angel, are coming along really well and we are looking forward to performing it to you on Wednesday morning.

This week we have been sharing Twas the Night Before Christmas and discussing some of the unusual language in the poem. We have also been busy with lots of Christmas craft and painting.

Our theme in maths has been sorting. We have been sorting everyday items such as buttons according to criteria such as colour, size and the number of holes in the middle. The children have found this surprisingly difficult, so any support at home would be very helpful.

Next week our Christmas theme will continue and our main focus will be on our Christmas play and other Christmas activities.

There is a very nasty tummy bug going around. Children must remain at home for 48 hours after the last incident of vomiting.

There will be no Forest School sessions until January.

We have been teaching the children to push their hats into their coat sleeves. Please could you help us by practicing this at home.
