A Message from Mrs Hewitt

If you want to update the details of who can collect your child from school or you have forgotten your password for collection, please see your child's class teacher.

May I take this opportunity to thank all of the staff involved in Tuesday night's Young Voices concert at the Genting Arena. Our year 4 children had an amazing time performing as part of the world's largest choir; it is a night of enormous achievement for all of our pupils. As usual they were exceptionally well-behaved, and were fully involved and enthusiastic in singing and dancing throughout the performance; a real credit to Meadows! This has taken weeks of dedication from all staff involved, and I appreciate them giving up their evening so that the children could attend such an incredible event. A special thanks goes to Mrs Beck who once again expertly organised the trip, the tickets and the merchandise orders. It is wonderful that money raised from the event contributes towards 'The childhood cancer charity'.

Year 3 also enjoyed going on a trip this week; they went to the Think Tank in Birmingham where they took part in interactive workshops featuring forces and friction. Duckings also had a trip down to Bromsgrove Library on Wednesday, they listened to a story and were able to choose some books to read.
