

Friday 6th March

Most of the seeds that we have planted are really growing well in the classrooms. Hopefully they will be ready to move outdoors soon.

The Tiny Seed really has got the children doing some lovely writing. They have really made super progress and many children are writing simple sentences. Next week our The Tiny Seed theme continues and we will be discussing how the tiny seed grew into something big and wonderful and how they will grow into something big and wonderful too.

Many of the children really have impressed us with their maths this week. So many have learnt the homework poem and are able to use it in practical situations to solve problems. Next week we are really consolidating number bonds and problem solving with them.

Our phonics sounds will be ur, ow, oi and ear.

We are going to start regular running sessions on our school field. All children will need to have suitable footwear in their PE bag. Pumps are limited in their suitability as our field can be rather wet and muddy. Trainers are advised.

At the end of the day if your child needs to return to the classroom because they have left something behind, please can you keep them with you until all of the children have been dismissed and then send them back in.

Due to our gymnastics sessions there will be no Stay and Play on Wednesday 11th March.

Please remember that we have a T.E. day on Friday 13th March.

Both classes will have Forest School on Tuesday 10th March and Gymnastics on Wednesday 11th March.

Homework

This week the homework task is phonics based. The children need to fill in the missing word. Please complete with a pencil and return to school by Wednesday. Please make sure they are named.
