

Reception Newsletter

Friday September 4th

Our very warmest welcome to Reception year at Meadows First School.

It has been lovely to meet the children over the past couple of days and to put faces to names. We are delighted with the way that the children have come into the classrooms, you must all be so proud of them. They have all been making new friends and exploring their new classrooms confidently.

Next week they will be staying for full days, groups 1 and 2 on Monday and Tuesday and groups 3 and 4 on Wednesday and Thursday. Then all the children will be together on Friday.

The children will be eating their lunches in school next week. If your child is having a hot lunch please discuss the meal choice with them in advance as we will ask the children for their choice in the morning and order them from the kitchen. If your child is having a packed lunch please make sure that everything in it can be easily opened by your child. Children can bring a packed lunch if they do not like the selection on offer on a particular day. Please click the menu link to see the menu.

We will not be starting Forest School or P.E. yet and will give you plenty of notice before they start.

Please can each child have a full set of spare clothes to keep in school, including pants and socks. Every item must be named.

Quite a few children have tried to take their jumpers off over the past couple of days, and found it really tricky. Please can you help them to practice.
