

MEADOWS FIRST SCHOOL  
WEEKLY NEWSLETTER

A Message from Mrs Hewitt

Children in Need- we raised £252 for this very important charity. Thank you for your support.

Today is the National 'Star In Our Schools' day which is an annual celebration of school support staff. I would like to thank all of the support staff at Meadows for being such an amazing, hardworking and dedicated group of people; the children and teachers at Meadows are lucky to have their support.

Christmas Carols: We will be providing a video of the children for you to share with family members. Please complete the consent form if you agree to your child being on their year group's video by Friday 26th November. If we do not receive consent, your child will not be included in the video but will join in the outdoor performance.
