

## *A Message from Mrs Hewitt*

We are coming to the end of term with lots of activities on offer for the children. Unfortunately, we have been hit with COVID again (staff and children), alongside chickenpox. I hope that the staff, parents and children who have contracted these illnesses get better very soon.

Year 4 had a wonderful day this week at the Bell boating Regatta. All of the children tried their best, competing against other teams from local schools. Next week they will be performing their Leavers' Play to the school and to their parents. I cannot quite believe that they are soon moving onto the next stage of their educational journey.

## ONLINE SAFETY

### Huggy Wuggy

Parents are being warned to be extra vigilant over seemingly fun videos that feature a menacing character with razor-sharp teeth. The animated character goes by the friendly name of Huggy Wuggy, leading parents and children to believe the videos are aimed at youngsters and contain no inappropriate material. But the blue bear-like creature chases and threatens other characters in nightmarish scenarios, leaving many children upset and frightened. The character is from a survival horror game called Poppy Playtime, but has been made into popular videos which appear on YouTube and have seemingly slipped through parental controls. The Huggy Wuggy character has also been recreated on Roblox, a virtual community where users can create their own 3D worlds with their own game players. The character sings worrying songs about hugging and killing.
