

Friday 15th March

After spending many weeks exploring our wonderful world, we have donned our spacesuits and blasted off to explore space. We have explored the planets in our solar system and learned about our moon. We had a fantastic time designing our own lunar buggies using lots of different construction materials. We will be continuing our space theme into next week.

Phonics

This week we have been assessing children on their knowledge of the sounds we have learned this year as well as their ability to recognise these sounds in increasingly challenging words. Thank you for continuing to support your children's reading at home; every bit of reading experience really helps to strengthen their use and knowledge of phonics!

Reading

We hope you have been able to access the online e-books through the Collins website. If you need any further help please speak with your class teacher at the end of the day.

Maths - This week we have continued exploring numbers within 10 with a focus on recognising 1 more and 1 less. Next week we will explore different number bonds (pairs of numbers) to make 10.

Trip to Atwell Farm - Thank you to those who have returned your permission slips for our trip to Atwell farm after the Easter Holidays. If you are yet to complete your form, you have until Tuesday 19th to return your slip. Please note that we are a cashless school and payments for experiences and trips can only be made through the parent pay system. If you need support with this, please ask one of the members of staff

We have had a few incidents during lunchtimes and breaktimes where children are playing too roughly. These issues have typically arisen due to playing games like 'superheroes'. We have spoken at length in our classes about the importance of playing safely with our friends. We would really appreciate it if you could speak with your children about this topic at home to help reinforce the message. Thank you.

If your child is poorly with an upset stomach then please adhere to our policy and keep them at home for 48 hours after the last incident. Thank you.
