

Friday 5th July

So much is happening in school as we come towards the end of the school year. A reminder that Next Thursday is our School Fete; we hope to see as many of you as possible and we hope you have a wonderful time exploring the stalls. Next week the children will get the opportunity to watch the Year 4 leavers play, along with lots of great fairy tale themed activities.

We are having lots of discussions about transition as we gently prepare the children to move on. On Monday morning the children will be spending some time with their new teacher in their new classroom. We are keen to make this a very smooth move for all the children and we are aware that some children may feel a little anxious about it. We talk about this move being a very positive and exciting one and reinforce that there will be lots of familiar faces. **Cygnets will become Dragonflies**, with Mrs Tricklebank and Mrs Owen and **Goslings will become Caterpillars** with Mrs Webb and Mrs Turton.

We are in the process of arranging some additional story times with the new teachers so both classes can get to spend more time with their new teacher before the end of the year. The children have been superstars this year and they really are very ready to continue their learning journeys in Year 1.

## Final Forest School

Goslings and Cygnets will have their final Forest School session on Tuesday 9th July. Please remember that arms and legs must be covered. If the weather is warm then we can avoid using waterproofs so long as arms and legs are covered. After this session, you are welcome to take home your wellies from the welly stands outside of the classrooms.

## Reports

You will be receiving your child's end of year report on Tuesday 9th July. This will be emailed to you from the class e-mail account. You should receive your report around 4:30 but please do allow some time for technology to have its wobbles. If you haven't received your report by the time you drop off on Wednesday morning then please speak to your child's teacher and we can arrange to resend your report via e-mail or print off a copy for you.
